News and Updates

Quest Tool Version 3.0

2014-05-18 01:54

Quest Tool Version 3.0 is now available!

New in Version 3.0:

- Integrated Managing of report templates
- Installation and activation without administrator-permission
- presentation mode for a second screen
- simplified handling due to a new menu-ribbon

Version 3.0 is ready for Win7/8.x. For further information, please click here.
